*INCOME MAINTENANCE ADMINISTRATION*

# STATISTICAL REPORT

## JULY 1991

**DEPARTMENT of HUMAN RESOURCES**
*Carolyn W. Colvin, Secretary*

**INCOME MAINTENANCE ADMINISTRATION**
*Tim Griffith , Executive Director*

**DEPARTMENT OF HUMAN RESOURCES**

INCOME MAINTENANCE ADMINISTRATION
Division of Program Reporting and Analysis
311 W. Saratoga Street, Room 725
Baltimore, Maryland 21201

**TO:** **Readers of the Monthly Statistical Report**

**FROM:** **The Division of Program Reporting and Analysis**

**re:** **JULY 1991 Issue**

For Fy 1992, we have made the following changes in our format.

**Table 1 and Table 2** will use the AIMS S031, S032 reports for "current month" and "previous month" data. The "year-to-date" data will use the S031\S032 data for the current month, but the 302-Report will be used for the cumulative prior months. For EAFC, we will report 'Temporary Housing' as a subcategory. For PAA-Total, we will report Project HOME (Proj-Home), Domiciliary Care, and Personal Needs cases as separate subcategories. For July only, the data on Tables 1&2 are from the 302-Report, which includes financial adjustments which occurred after the S031\S032 were generated.

**Chart I: Net Expenditure Vs Budget Allocation** previously showed the trends of accumulating expenditures. Because the data was cumulative, the data range for AFDC, for example, began at $20 million and extended to $325 million. As a graphics presentation, the range was too great to detect monthly differences.

For Fy 1992, we have developed monthly "Expected Expenditures" by dividing the Fy 1992 budget allocations in the same patterns as Fy 1991's actual expenditures. The total of the twelve monthly 'Expected Expenditures' precisely equals the Fy 1992 budget allocation. For each month, we will overlap the 'Expected Expenditure' data with the Fy 1992 actual expenditures; thus, we can see if our spending patterns are exceeding the budget allocations.

- The Appendix section includes Emergency Assistance Tables for JUNE & JULY 1991.
- Table 16, PAA-Total, is being reprogrammed. July's Table 16 will be published in a later issue.
